I. Introduction

1.1 National Housing Bank (NHB) has issued guidelines on Know Your Customer (KYC) and Anti-Money Laundering (AML) vide its circular bearing NHB/ND/DRS/POL – No. 33/2010-11 dated October 11, 2010 and NHB (ND)/DRS/ Policy Circular No 94 /2018-19 dated March 11, 2019 advising Housing Finance Companies (HFCs) to ensure that a proper policy framework on ‘Know Your Customer’ and ‘Anti-Money Laundering Measures’ is to be put in place and to follow certain customer identification processes for opening of accounts and monitoring transactions of suspicious nature keeping in view the possibility of the use of money through these accounts for criminal and other unlawful purposes for which a new legislation namely “Prevention of Money Laundering Act, 2002” has been framed. Also, RBI had issued the revised KYC Master Direction No 81/14.01.001/2015 -16 dated February 25, 2016 updated as on May 04, 2023. The policy has been amended in line with the above circulars.

1.2 Manappuram Home Finance Limited (MAHOFIN) has framed its KYC & AML policy keeping in view the broad guidelines circulated by RBI/NHB in this regard.

II. Objectives

2.1 The main objective of the KYC & AML policy of MAHOFIN is to ensure that its money is not used, intentionally or unintentionally, directly or indirectly, for any unlawful and prohibited activities or purpose particularly those which are covered by Prevention of Money Laundering Act, (PMLA) 2002. At the same time KYC & AML Policy will also enable MAHOFIN to have more transparent and specific information about the customers and understand their financial dealings better. This in turn will enable MAHOFIN to effectively determine risk level involved in different Loan transactions and will help it to undertake effective risk management.

2.2 KYC & AML Policy shall be applicable to all types of customers including individual, partnership firms, employees, corporate entities, associates, trusts, societies or any other entity having a legal status. This policy will also cover those persons who are the real beneficiaries of the credit facilities extended by MAHOFIN and those who represent such persons or entities.

2.3 The Company shall report the Detection of the Currency Counterfeit Note to National Housing Bank, in the format, prescribed in the Circular NHB / ND / DRS / Misc. Circular No 19 / 2018-19 dated August 13, 2018.

III. Key Elements

As per the guideline issued by RBI/NHB, MAHOFIN has formulated its KYC Policy based on the following four key elements:

- (i) Customer Acceptance Policy (CAP);
- (ii) Customer Identification Procedures (CIP);
- (iii) Monitoring of Transactions and Maintenance of records of transactions and;
- (iv) Risk Management.

IV. Definition of a Customer under the KYC Policy

4.1 For the purpose of KYC Policy, a 'Customer' will be defined as:

- (i) A person or entity that maintains an account and/or has a business relationship with MAHOFIN,
- (ii) One on whose behalf the account is maintained (i.e. the beneficial owner-Refer Annexure II),
- (iii) Beneficiaries of transactions conducted by professional intermediaries, such as Stock Brokers, Chartered Accountants, Solicitors, etc. as permitted under the law, and

- (iv) Any person or entity connected with a financial transaction which can pose significant reputational or other risks to MAHOFIN say a wire transfer or issue of a high value demand draft as a single transaction.

4.2 Besides KYC guidelines shall also be applicable to the following associates / agencies /intermediaries associated with MAHOFIN :

- (i) Empanelled lawyers
- (ii) Empanelled valuers
- (iii) Vendors providing services like Selling Agents, Direct selling team, Collection Agencies, Field Investigation Agencies etc.
- (iv) Builders
- (v) Seller of property being financed by MAHOFIN
- (vi) Any other intermediary

V. KYC Policy

In the formulation of this policy, as suggested by RBI/NHB's KYC guidelines, MAHOFIN has ensured that the adoption of customer acceptance policy and its implementation does not become too restrictive and must not result in denial of housing finance services to general public, especially to those, who are financially or socially disadvantaged.

5.1 Customer Acceptance Policy (CAP)

The following norms and procedures will be followed by MAHOFIN in relation to its customers who approach for availing Loan facilities. Also while taking decision to grant any one or more credit facility to customers as well as during the continuation or pre-closing of any loan account of the customer, the following norms will be adhered to by MAHOFIN:-

- (i) No account opened will be in anonymous or fictitious / benami name(s); MAHOFIN shall insist for sufficient proof about the identity of the customer

- to ensure his physical and legal existence at the time of accepting the application;
- (ii) Risk in terms of the location of customer and his clients and mode of payments are duly checked;
- Volume of turnover, social and financial status, etc. will form the basis for categorization of customers into low, medium and high risk.
 - Customers requiring very high level of monitoring, e.g. Politically Exposed Persons will be given due consideration.
- (iii) Documentation requirements and other information will be collected in respect of different categories of customers depending on perceived risk and guidelines issued from time to time; Declaration will be taken from the customer that the proceedings / transactions are not in violation of the PML Act, 2002 and RBI/NHB regulations in this regard.
- (iv) Not to open an account or close an existing account where MAHOFIN is unable to apply appropriate customer due diligence measures, i.e. MAHOFIN is unable to verify the identify and / or obtain documents required as per the risk categorisation due to non co-operation of the customer or non reliability of the data / information furnished to MAHOFIN. However, decision not to open or close an account shall be taken at a higher level after giving due notice to the customer explaining the reasons for such a decision to avoid harassment.
- (v) All such loan requests where the customer, without sufficient cause, does not provide information and documentary evidence in terms of the requirements outlined by MAHOFIN in loan application form, to the satisfaction of MAHOFIN will not be processed unless the customer has

genuine difficulty or reasons for not providing such information, but MAHOFIN even in the absence of the such information is otherwise satisfied about the identity and credentials of the customer on the basis of independent verification conducted by MAHOFIN at its own level without the knowledge of the customer.

- (vi) While collecting information from the customers about his identity, work place, status, financial resources, it shall be kept in mind the obligations of MAHOFIN as Housing Finance MAHOFIN laid down under PMLA and Rules or Regulations framed there under, directions issued by RBI/NHB or any other Government agency on the matters relating to maintenance and furnishing of information by financial institutions to the authorities constituted under PMLA or any other authorities empowered under law to seek any information from MAHOFIN about the customers.
- (vii) Permanent Address proof from new applicants will be collected. The documents which can be accepted as proof of address are mentioned in Annexure-I.
- (viii) For existing customers who wish to pre-close their loan account with MAHOFIN following will be collected:
 - (a) Officially Valid Document (As per Annexure I)
 - (b) A declaration from the customer regarding source of funds being used for pre-closure of the loan account.
 - (c) Closure of the loan account authority will be restricted to authorized person only.
- (ix) In the following circumstances, the account may be operated by a mandate holder or the account may be opened by an intermediary in a fiduciary capacity hence the customer is permitted to act on behalf of another person/entity, in conformity with the established law and practices:
 - (a) If applicant is NRI/PIO

- (b) If applicant is a limited Company
- (c) If applicant is a partnership firm
- (x) Any other circumstance where it is not possible for the applicant to be present at the branch location physically available. Necessary checks before any loan disbursement will be carried out through Field Investigation Agency so as to ensure that the identity of the customer does not match with any person with known criminal background or with banned entities such as individual terrorists or terrorist organizations, etc
- (xi) A Unique Customer Identification Code (UCIC) shall be allotted to the Customers. MAHOFIN shall apply the CDD procedure at the UCIC level
- (xii) Additional information may be obtained which are not specifically mentioned in this policy with the explicit consent of the Customer.
- (xiii) MAHOFIN need to ensure that the identity of the Customer does not match with the any person or entity whose name appears in the sanction lists.
- (xiv) A Unique Customer Identification Code (UCIC) shall be allotted while entering into new relationships with individual customers as also the existing individual customers by the company
- (xv) Where Goods and Services Tax (GST) details are available, the GST number shall be verified from the search/verification facility of the issuing authority.
- (xvi) Where MAHOFIN is suspicious of money laundering or terrorist financing, and it reasonably believes that performing the CDD process will tip-off the customer, it shall not pursue the CDD process, and instead file an STR with FIU-IND.
- (xvii) No account is opened where the Company is unable to apply appropriate CDD measures, either due to non-cooperation of the customer or non-reliability of the documents/information furnished by the customer. The company shall consider filing an STR, if necessary, when it is unable to comply with the relevant CDD measures in relation to the customer.

- (xviii) Suitable system is put in place to ensure that the identity of the customer does not match with any person or entity, whose name appears in the sanctions lists indicated from time to time.

5.2 MAHOFIN will prepare a profile for each new customer during the credit appraisal based on risk categorization as mentioned in this policy and as per credit risk policy. The customer profile will contain information relating to the customer's identity, social/ financial status, nature of business activity, information about his clients' business and their location, geographical risk covering customers as well as transactions, type of products/services offered, delivery channel used for delivery of products/services, types of transaction undertaken – cash, cheque/monetary instruments, wire transfers, forex transactions, etc. While considering customer's identity, the ability to confirm identity documents through online or other services offered by issuing authorities may also be factored in. The nature and extent of due diligence will depend on the risk perceived by MAHOFIN. At the time of credit appraisal of the applicant the details are recorded along with his profile based on meeting with the applicant apart from collection of applicable documents; this shall be as per our credit and product norms which will be incorporated in the operation manual. However, while preparing customer profile, MAHOFIN will seek only such information from the customer which is relevant to the risk category and is not intrusive and will be in conformity with the guideline. Further information if required from the customers will be sought separately with his/her consent after opening the account.

The customer profile will be a confidential document and details contained therein shall not be divulged for cross selling or for any other purposes against monetary consideration. MAHOFIN will continue to share the client data with CIBIL and empanelled. Field Investigation Agencies and such other organizations/entities subject to confidentiality clause, since the purpose of sharing this information is to ensure risk minimization.

The risk level categorisation will be determined by considering the following information submitted by the customer:-

- a) Nature of business of the customer
- b) Workplace of customer and his clients
- c) Volume of business six monthly/annual turnover
- d) Social and financial status
- e) Quantum and tenure of loan facility applied and proposed schedule for repayment of loan.

As per KYC policy, for acceptance and identification, customers are categorized broadly into low risk, medium risk, and high risk categories:-

- (i) **Low Risk Customers** for the purpose of this policy will be individuals and entities whose identities and sources of wealth can be easily identified, have structured income and transactions in whose accounts by and large conform to the known profile. Illustrative examples of low risk customers could be:
 - (a) Salaried applicants with salary paid by cheque.
 - (b) People belonging to government departments.
 - (c) People working with government owned companies, regulators and statutory bodies etc.
 - (d) People belonging to lower economic strata of the society whose accounts show small balances and low turnover.
 - (e) People working with Public Sector Units

record for a reasonable period.

(e) High Net worth Individuals-with occupational track record of more than 3 years.

(iii) **High Risk Customers** that are likely to pose a higher than average risk to MAHOFIN may be categorized high risk customers depending on customer's background, nature and location of activity, country of origin, sources of funds and his client profile, etc. MAHOFIN will examine the case in detail based on the risk assessment as per MAHOFIN's credit risk policy and guidelines of Credit Policy. Examples of high risk customers requiring higher due diligence may include:

- (a) Non-resident customers,
- (b) High net worth individuals, without an occupational track record of more than 3 years.
- (c) Trusts, charities, NGOs and organizations receiving donations.
- (d) Companies having close family shareholding or beneficial ownership.
- (e) Firms with 'Sleeping Partners'.
- (f) Politically exposed persons (PEPs) of foreign origin,
- (g) Non-face to face customers
- (h) Those with dubious reputation as per available public information etc.

The risk categorisation of the customer and the specific reasons for such categorisation shall be kept confidential and shall not be revealed to the customer to avoid tipping off the customer.

MAHOFIN's exposure to any of the clients is subject to its credit risk policy and Credit Policy. However, for customer acceptance, KYC is a prerequisite for a credit risk grading.

5.4 Customer Identification Procedure (CIP)

5.4.1 Customer Identification means identifying the customer and verifying his/ her / its identity by using reliable, independent source of documents, data or information

while establishing a relationship. MAHOFIN will obtain sufficient information such as Voter ID card, PAN number, Passport etc. necessary to establish, to its satisfaction the identity of each new customer, whether regular or occasional and the purpose of the intended nature of relationship.

5.4.4 RBI, vide its circular no DOR.AML.BC.No.27/14.01.001/2019-20 dated January 09, 2020 and Gazette Notification G.S.R. 582(E) dated August 19, 2019 has permitted "Video based Customer Identification Process (V-CIP)": a method of customer identification by an official of the RE by undertaking seamless, secure, real-time, consent based audio-visual interaction with the customer to obtain identification information including the documents required for CDD purpose, and to ascertain the veracity of the information furnished by the

customer. Such process shall be treated as face-to-face process for the purpose of this Master Direction.

The brief procedure for conducting V-CIP is given below:

The Company can undertake live V-CIP, to be carried out by an official of the Company, for establishment of an account-based relationship with an individual customer, after obtaining his informed consent and shall adhere to the following stipulations:

i. The official of the company performing the V-CIP shall record video as well as capture photograph of the customer present for identification and obtain the identification information as below:

- **Banks:** can use either OTP based Aadhaar e-KYC authentication or Offline Verification of Aadhaar for identification. Further, services of Business Correspondents (BCs) may be used by banks for aiding the V-CIP.

- **Others:** can only carry out Offline Verification of Aadhaar for identification.

ii. Company shall capture a clear image of PAN card to be displayed by the customer during the process, except in cases where e-PAN is provided by the customer. The PAN details shall be verified from the database of the issuing authority.

iii. Live location of the customer (Geotagging) shall be captured to ensure that customer is physically present in India

iv. The official of the Company shall ensure that photograph of the customer in the Aadhaar/PAN details matches with the **customer undertaking** the V-CIP and the identification details in Aadhaar/PAN shall match with the details provided by the customer.

v. The official of the Company shall ensure that the sequence and/or type of questions during video interactions are varied in order to establish that the interactions are real-time and not pre-recorded.

vi. In case of offline verification of Aadhaar using XML file or Aadhaar Secure QR Code, it shall be ensured that the XML file or QR code generation date is not older than 3 days from the date of carrying out V-CIP.

vii. Company shall ensure that the process is a seamless, real-time, secured, end-to-end encrypted audio-visual interaction with the customer and the quality of the communication is adequate to allow identification of the customer beyond doubt. The company shall carry out the liveness check in order to guard against spoofing and such other fraudulent manipulations.

viii. To ensure security, robustness and end to end encryption, the Company shall carry out software and security audit and validation of the V-CIP application before rolling it out.

ix. The audio-visual interaction shall be triggered from the domain of the Company itself, and not from third party service provider, if any. The V-CIP process shall be operated by officials specifically trained for this purpose. The activity log along with the credentials of the official performing the V-CIP shall be preserved.

x. The company shall ensure that the video recording is stored in a safe and secure manner and bears the date and time stamp.

xi. The company, are encouraged to take assistance of the latest available technology, including Artificial Intelligence (AI) and face matching technologies, to ensure the integrity of the process as well as the information furnished by the customer. However, the responsibility of customer identification shall rest with the Company.

xii. The company shall ensure to redact or blackout the Aadhaar number in terms of Section 16.

The ultimate responsibility for customer due diligence will be with the Company.

5.4.5 Due diligence for High risk customer identification will be as follows:

- (a) **Non-resident customers:** Due diligence including email verification of employment of the customer, collection of a local guarantor & power of attorney alongwith their identification proofs and verification of their residence/office will be done, if found necessary.

- (b) **High net worth individuals:** With less than three years occupational track record, due diligence including personal discussion with the applicant, analysis of bank statement and financial statements will be done, details of client profile, sources of fund will be obtained, if required.
- (c) **Trusts, Charities, NGOs and organizations receiving donations:** As and when such cases are received due diligence to be undertaken as for other cases in the high-risk categories.
- (d) **Companies having close family shareholding or beneficial ownership:** Due diligence including personal discussion with the applicant will be done. In case of company's proportionate income being considered to the extent of the customer's Shareholding in the Company – board resolution authorising the director(s) to sign on behalf of the company will be collected. Also, signature verification of the person(s) issuing the board resolution will be collected, if necessary.
- (e) **Firms with 'Sleeping partners':** Due diligence including personal discussion with the applicant will be done. If income of the partnership firm is being considered, then MAHOFIN will collect a letter signed by all the partners authorising the concerned partner(s) to sign on behalf of the partnership to be continued. Also signature verification of the person(s) issuing this authority letter will be collected, if necessary.
- (f) **Politically exposed persons (PEPs) of foreign origin:** Same due diligence as NRI/PIO to be undertaken.
 - A.** The Company shall have the option of establishing a relationship with PEPs (whether as customer or beneficial owner) provided that, apart from performing normal customer due diligence:
 - (a) MAHOFIN have in place appropriate risk management systems to determine whether the customer or the beneficial owner is a PEP;
 - (b) Reasonable measures are taken by the company for establishing the

source of funds / wealth;

(c) Approval to open an account for a PEP shall be obtained from the senior management; sufficient information including information about the sources of funds accounts of family members and close relatives is gathered on the PEP;

(d) all such accounts are subjected to enhanced monitoring on an on-going basis;

(e) in the event of an existing customer or the beneficial owner of an existing account subsequently becoming a PEP, senior management's approval is obtained to continue the business relationship;

B. These instructions shall also be applicable to accounts where a PEP is the beneficial owner

(g) Non-face to face customers: Due diligence including telephone/personal discussions be done, if required. Information from reliable sources will be obtained for establishing the existence of the person.

(h) Customer with dubious reputation: If found dubious then the case will not be entertained.

5.4.6 On-going Due Diligence

The Company shall undertake on-going due diligence of customers to ensure that their transactions are consistent with their knowledge about the customers, customers' business and risk profile; and the source of funds/wealth.

Without prejudice to the generality of factors that call for close monitoring following types of transactions shall necessarily be monitored:

a) Large and complex transactions including RTGS transactions, and those with unusual patterns, inconsistent with the normal and expected activity of the customer, which have no apparent economic rationale or legitimate purpose.

b) Transactions which exceed the thresholds prescribed for specific categories of accounts.

- c) High account turnover inconsistent with the size of the balance maintained.
- d) Deposit of third party cheques, drafts, etc. in the existing and newly opened accounts followed by cash withdrawals for large amounts.

The extent of monitoring shall be aligned with the risk category of the customer.
High risk accounts have to be subjected to more intensified monitoring.

- (a) A system of periodic review of risk categorisation of accounts, with such periodicity being at least once in six months, and the need for applying enhanced due diligence measures shall be put in place.
- (b) The transactions in accounts of marketing firms, especially accounts of Multi-level Marketing (MLM) Companies shall be closely monitored.

C. Simplified Due Diligence

Simplified norms for Self Help Groups (SHGs)

- a. CDD of all the members of SHG shall not be required while opening the account of the SHG.
- b. CDD of all the office bearers shall suffice.
- c. Customer Due Diligence (CDD) of all the members of SHG may be undertaken at the time of credit linking of SHGs.

5.4.7 Customer Identification requirements in respect of a few typical cases, especially, legal persons requiring an extra element of caution are given below :

(a) Trust Nominee or Fiduciary Accounts :

There exists the possibility that a trust/nominee or fiduciary accounts can be used to circumvent the customer identification procedures. Hence, as and when such cases are received, MAHOFIN will determine whether the customer is acting on behalf of another person as trustee/ nominee or any other intermediary. If so, MAHOFIN may insist on receipt of satisfactory evidence of the identity of the intermediaries and of the persons on whose behalf they are acting,

may also obtain details of the nature of the trust or other arrangements in place. In the case of a 'foundation', steps will be taken to verify the founder managers/directors and the beneficiaries, if defined.

(b) Accounts of companies and firms

MAHOFIN will be careful while processing the cases of business entities specially to establish that individuals are not using those entities for maintaining accounts with it. MAHOFIN shall seek information, if required, on the control structure of the entity, source of funds and the natural persons who carry a controlling interest in the management.

These requirements may be moderated as per MAHOFIN's credit risk policy and guidelines of the Credit Policy, for e.g. in the case of a public company it will not be necessary to identify all the shareholders.

(c) Client accounts opened by professional intermediaries

When MAHOFIN has knowledge or reason to believe that the client account opened by a professional intermediary like Direct Selling Agent or Direct selling team or any other sales intermediary by whatever name called is on behalf of a single client, that client will be identified. Where MAHOFIN relies on the 'customer due diligence' (CDD) done by an intermediary like Field investigation agency or technical agency or lawyer or any other operation processing intermediary by whatever name called, MAHOFIN will ensure that the intermediary is having a bonafide identity with an established track record.

(d) Accounts of Politically Exposed Persons (PEPs) resident outside India

Politically exposed persons are individuals who are or have been entrusted with prominent public functions in a foreign country, including the Head of States /Governments, senior politicians, senior

government or judicial or military officers, senior executives of state-owned corporations, important political party officials. MAHOFIN will gather sufficient information as available on any person/customer of this category intending to establish a relationship and check all the information available on the person in the public domain. MAHOFIN will verify the identity of the person and seek information about the sources of funds before accepting the PEP as a customer. The above norms will be applied to the accounts of the family members or close relatives of PEPs.

(e) Accounts of non-face-to face customers:

In the case of non-face-to-face customers, apart from applying the usual customer identification procedures, MAHOFIN will do telephone/personal discussion with the applicant, if necessary. Applicant will be met by the Sales representative of MAHOFIN and will fill up the meeting sheet on that basis to mitigate the higher risk involved, as applicable. Certification of all the documents presented will be insisted upon and, if necessary, additional documents may be called for and applicable verification of these documents will be done. Hence apart from the existing due diligence for such customers MAHOFIN shall take resident Indian Co-applicant as a party to the loan proposal or a local resident guarantor to the loan with identity verification.

An indicative list of the nature and type of documents that may be relied upon for customer identification is given in the Annexure I.

5.4.8 MONITORING OF TRANSACTIONS

- (a) Ongoing monitoring is an essential element of effective KYC procedures. Since MAHOFIN is a housing finance company and all its loans are tenure based with a fixed/ variable instalment paid through Electronic Clearing System (ECS) mandate or post dated cheques,

the monitoring structure will be relevant to the nature of operations. MAHOFIN will pay special attention to all unusually large transactions involving large cash. MAHOFIN shall introduce cash transaction reporting system above Rupees Ten Lacs. Risk categorization as is mentioned in this policy may be updated as and when required by the management. Annex V- Digital KYC Process

- A.** The Company shall develop an application for digital KYC process which shall be made available at customer touch points for undertaking KYC of their customers and the KYC process shall be undertaken only through this authenticated application of the company.
- B.** The access of the Application shall be controlled by the Company and it should be ensured that the same is not used by unauthorized persons. The Application shall be accessed only through login-id and password or Live OTP or Time OTP controlled mechanism given by company to its authorized officials.
- C.** The customer, for the purpose of KYC, shall visit the location of the authorized official of the Company or vice-versa. The original OVD shall be in possession of the customer.
- D.** The Company must ensure that the Live photograph of the customer is taken by the authorized officer and the same photograph is embedded in the Customer Application Form (CAF). Further, the system Application of the Company shall put a water-mark in readable form having CAF number, GPS coordinates, authorized official's name, unique employee Code (assigned by Company) and Date (DD:MM:YYYY) and time stamp (HH:MM:SS) on the captured live photograph of the customer.
- E.** The application shall have the feature that only live photograph of the customer is captured and no printed or video-graphed photograph of the customer is captured. The background behind the customer while capturing live photograph should be of white colour and no other person shall come into the frame while capturing the live photograph of the customer.
- F.** Similarly, the live photograph of the original OVD or proof of possession of Aadhaar where offline verification cannot be carried out (placed horizontally), shall be captured vertically from above and water-marking in readable form as mentioned above shall be done. No skew or tilt in the mobile device shall be there while capturing the live photograph of the original documents.
- G.** The live photograph of the customer and his original documents shall be captured in

proper light so that they are clearly readable and identifiable.

H. Thereafter, all the entries in the CAF shall be filled as per the documents and information furnished by the customer. In those documents where Quick Response (QR) code is available, such details can be auto-populated by scanning the QR code instead of manual filing the details. For example, in case of physical Aadhaar/e-Aadhaar downloaded from UIDAI where QR code is available, the details like name, gender, date of birth and address can be auto-populated by scanning the QR available on Aadhaar/e-Aadhaar.

I. Once the above mentioned process is completed, a One Time Password (OTP) message containing the text that 'Please verify the details filled in form before sharing OTP' shall be sent to customer's own mobile number. Upon successful validation of the OTP, it will be treated as customer signature on CAF. However, if the customer does not have his/her own mobile number, then mobile number of his/her family/relatives/known persons may be used for this purpose and be clearly mentioned in CAF. In any case, the mobile number of authorized officer registered with the Company shall not be used for customer signature. The company officials must check that the mobile number used in customer signature shall not be the mobile number of the authorized officer

J. The authorized officer shall provide a declaration about the capturing of the live photograph of customer and the original document. For this purpose, the authorized official shall be verified with One Time Password (OTP) which will be sent to his mobile number registered with the RE. Upon successful OTP validation, it shall be treated as authorized officer's signature on the declaration. The live photograph of the authorized official shall also be captured in this authorized officer's declaration.

K. Subsequent to all these activities, the Application shall give information about the completion of the process and submission of activation request to activation officer and also generate the transaction-id/reference-id number of the process. The authorized officer shall intimate the details regarding transaction-id/reference-id number to customer for future reference.

L. The authorized officer of the Company shall check and verify that:- (i) information available in the picture of document is matching with the information entered by authorized officer in CAF. (ii) live photograph of the customer matches with the photo available in the document.; and (iii) all of the necessary details in CAF including mandatory field are filled properly.;

M. On Successful verification, the CAF shall be digitally signed by authorized officer of the Company who will take a print of CAF, get signatures/thumb-impression of customer at appropriate place, then scan and upload the same in system. Original hard copy may be returned to the customer.
